### GET INSPIRED

**Here are some of our favourite ways to raise vital funds and help protect the future of our beautiful Reef.**

#### Sizzle for the sea

The humble Aussie sausage sizzle always delivers on a delicious and cost-effective way to raise funds. Approach a local butcher or market to donate the sausages and give them a shout out on the promotion. Local businesses are always keen to help a good cause.

#### Canteen change

Raise funds from your canteen sales over a dedicated period for Kick4Coral. Red frogs at the ready!

### Take on a challenge

There's nothing more inspiring than seeing people test their limits for a worthy cause. Why not run a Kick4Coral event day challenge. The furthest field goal or sponsored laps around the pitch.

### Involve the whole community

Sports clubs are often the beating heart of a community and are an amazing place to bring everyone together. Reach out to your local school, workplace or businesses to see if they would also like to support your Kick4Coral fundraiser.

#### Raffle it up

Find yourself a local sponsor who is willing to support you with incentive prizes for donations and run a raffle to boost contributions.

### Get social

Online networks are one of the best fundraising tools at our fingertips. Get the word out there and share what you are doing for the Reef with your friends and connections. Check out our resources page for some fun assets to share on your social channels!

### Host a Kick4Coral event

Bring people together for the Reef. Host a watch party for the tour games, or get groovy at an Under the Sea disco, ocean movie marathon or karaoke party and charge entry to support your campaign.
