Wordmark logo

Our wordmark option is only used where it isn't possible to include the full logo due to the nature of the application.

Business supporter logo

Our business supporter logo is only used by authorised business supporters on promotional materials.

All collateral must be approved by the Foundation before going to print or being distributed in any format. If the supporter is unable to adhere to the above conditions, they can use the words “proudly supporting the Great Barrier Reef Foundation” in text without using the logo.
